

Policy on making Policies

Policies will be implemented by the board using the following procedure:

Policy must be approved by the Board

Notice of the Policy will be made in the ROK TOK or Weekly Items of Interest, and on the Web Site

Any member can bring the policy up for discussion and a vote at a general meeting or by opening a topic on the forum. If a quorum of members vote against the policy (on forum, email or in person) then the policy revoked.

Approved by the Board Jan 9 2021

Shop Safety

Safety glasses or goggles must be worn while using trim saws or the roughing grinders. They are not required when working on the Genies.
